Internal Verifier IQA V1 Training Course

The QCF Internal Verifier / IQA suite of qualifications is created to support the internal verification, also known as internal quality assurance or internal moderation, of the new QCF qualifications - to include NVQs, QCFs and Apprenticeships.

Programme/Course Content

Internal Verifier / IQA Courses / TAQA (Training, Assessment and Quality Assurance) training qualifications:

Level 4 Award in Understanding the Internal Quality Assurance of Assessment Processes and Practice QCF

This award is a knowledge-only unit for those IVs and IQAs who need the knowledge and understanding of internal quality assurance but who are not expected to practice solely as an internal verifier.

Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice QCF

This IQA qualification is for Internal Verifiers and Practitioners who conduct internal quality assurance (Internal verification) of the assessment process from within a training centre or organisation (college).

Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Processes and Practice QCF – V1 / D34 replacement

For internal verifier practitioners who are expected to lead and manage the internal quality assurance (IQA) process and have a responsibility for managing the quality of the assessments and the performance of assessors.
