

# TRAIN THE TRAINER

## Education and Training – Level 4 Certificate QCF

The Education and Training – Level 4 Certificate QCF course introduces candidates to the most important practices and skills associated with teaching in a wide variety of contexts, and is suitable for newcomers with a goal of succeeding in post-compulsory education.

### Programme/Course Content

- Understanding roles and responsibilities
- Planning to meet the needs of the learner
- Delivering education and training
- Assessing learners
- Using resources

**Aimed at:** Anyone with an interest in becoming an elite educator in post-compulsory teaching environments including night school teachers, community college teachers, private adult educators and more.

**Accreditation:** OFQUAL

**Further information:** Along with the above modules, the course also includes a research project which will be carried out in accordance with the specific area of interest in which you intend to teach. One of the most important elements of the course is on-going teaching practice, for which evidence must be produced throughout the training process. Please contact us for a specific training proposal and quote.
